NICEIC

7875

The above business has been assessed as having the technical capability to carry out electrical work as defined above in accordance with BS7671 - requirements for Electrical Installations (IEE Wiring Regulations), except in hazardous areas where there may be a risk of ignition due to the presence of flammable gas or vapour, or ignitable dust or fibre. Such work is subject to separate assessment and certification. The current enrolment or registration status of the holder of this certificate may be confirmed by accessing the NICEIC website at www.niceic.com.

This certificate is the property of NICEIC and must be returned on request.
